

## **Carpenter Foreman, Apprentices, and Labourers**

Saskatoon, Saskatchewan

The difference between a good company and a great company is its people. This concept is important to us at Quorex Construction. It is why we value qualities like co-operation, spirit, determination, and drive. We nurture these qualities and we encourage our people to do their best.

We are a multi-disciplined team of professionals who have been in the construction and development business for more than 30 years. Our team serves every client - large and small - with the same level of dedication and commitment. Our projects encompass the commercial, institutional, multi-family, warehouse and industrial sectors in a region continuing to experience economic growth and prosperity.

Our communication skills and work ethics are the keys to our "teamwork builds quality" approach.

We are looking for experienced Journeyman carpenters who have previously been in the foreman role or feel they are ready to step into a foreman role. You would be assisting the Superintendent on site dealing with site coordination, mentoring carpenters and apprentices, quality control, organizing the daily manpower tasks, daily paperwork, assisting with overseeing the subtrades, stepping in if the superintendent is unavailable and pushing the safety culture.

Let's sit down and have a conversation on where your career path could take you with Quorex.

Come join a team where integrity, teamwork, quality and client satisfaction are part of our corporate culture.
