

Project Manager
Regina, Saskatchewan

The difference between a good company and a great company is its people. This concept is important to us at Quorex Construction Services Ltd. It is why we value qualities like co-operation, spirit, determination and drive. We nurture these qualities and we encourage our people to do their best.

We are a multi-disciplined team of professionals who have been in the construction and development business for more than 30 years. Our team serves every client - large and small - with the same level of dedication and commitment. Our projects encompass the commercial, institutional, multi-family, warehouse and industrial sectors in a region continuing to experience economic growth and prosperity. Our communication skills and work ethics are the keys to our "teamwork builds quality" approach.

Our Project Managers are a critical member of our project delivery teams. Working with our stakeholders, which include field staff, clients and owner representatives, our Project Managers are responsible for the delivery and administration of a variety of construction projects. Our Project Managers possess the ability to maintain and manage positive, mutually beneficial working relationships with all stakeholders.

Responsibilities include ensuring quality control, project schedule, cost control and contract administration objectives are met. Evaluation, interpretation and management of contract documents and requirements with both owners and trade contractors are a critical element of the Project Managers responsibilities.

Candidates must possess:

- Superior communication skills
- A demonstrated track record in project management of commercial construction projects.
- At least 5 years of construction industry experience in project management with responsibility for project delivery.
- Post-secondary education with a diploma (certificate) in Architectural or Civil Technology is preferred.

Come join a team where integrity, teamwork, quality and client satisfaction are part of our corporate culture. We offer competitive salary, performance-based bonuses, an extensive group insurance plan and a retirement program.
